Welcome to the Loralee Foundation

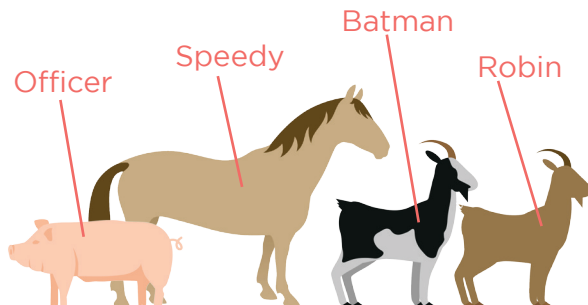

The non-profit Loralee Foundation is made up of a small group of family and friends dedicated to the common goal of making a positive impact on their community through charitable acts and services.

The families set aside a portion of their shared property as the site for the Loralee Foundation Ranch which has grown to include a dining hall, two sleeping cabins, a barn, and various other amenities including basketball, sand volleyball, horseshoes, softball, walking trail, horseback riding, petting zoo, covered pavilion for picnic gatherings, and a lovely swimming hole in Barton Creek, which meanders throughout the 100+ acre property.

The Foundation Board of Directors seeks out charitable people and organizations who wish to make a difference in their communities and provides them with access to the Foundation Ranch at no cost.
